2012 Corporate Programs

Your Corporate team can become part of Clean Ocean Action's efforts to protect and improve the marine environment with a tailored range of team-building programs.

Corporate Beach Sweep

A modification of COA's signature education program, Corporate Beach Sweeps is the perfect team-building event that provides a day of service, learning, and fun in the sun at the shore. Corporate teams split into groups, collect and remove debris, and record findings to support pollution prevention initiatives and legislation. The Sweep is professionally staffed and includes an informative presentation on ocean pollution and solutions.

Corporate Scavenger Hunt

COA's scavenger hunt is a great way to bring your team together for service. COA splits your group into teams and sets them up for a day of challenge and service in a variety of ways. Participants work closely together to perform specific actions in order to get the clue that will allow them to move on. Teams earn points for cleaning up the most garbage on the beach, finding answers to questions, taking photographs, and checking in at checkpoints. All items are worth points and the team with the most points wins.

Overview of Corporate Programs

- Corporate Programs run from May through October
- All programs are held at Sandy Hook, Gateway National Recreation Area. Specific site are selected based on program and needs.
- Programs run from 9:00 am—12:30 pm
- 15 person minimum
- Day/program can be tailored to fit specific needs of participants
