

2005 Volunteers

Participating Schools, Scouts, Groups, & Businesses

The following is a list of participants in the 2005 Beach Sweeps program. The names were taken from the completed and usable datacards that were returned to Clean Ocean Action. The names in **bold** show participation in both the Spring and Fall Beach Sweeps (note: these groups are counted twice toward total participating groups). Our apologies for any omissions. *Special note:* datacards with estimates or obvious errors, or that were not readable were omitted.
