

**Clean Ocean Action  
Privacy Policy and Sharing Policy**

**COA Privacy Policy**

Clean Ocean Action (COA) does not sell or actively seek to share or use individual contact information for any purpose other than in support of Clean Ocean Action activities. However, COA makes no guarantees against the disclosure of such information, as certain information may be, for instance, automatically gathered or stored on its website, or be required to be disclosed by legal process.

~~~~~

**COA Sharing Policy/Disclaimer**

Unless otherwise noted, the materials and information found on this website or disseminated from Clean Ocean Action (COA) in other forms are provided to raise public awareness of ocean pollution issues and to further the mission of the organization. To the extent same are authored by Clean Ocean Action, they may be copied, distributed, shared or used as a reference (provided that COA is properly cited as the source). COA strives to provide accurate, complete, and timely information on this website, but its contents and hyperlinks are provided without any warranty of any kind, including but not limited to any warranty against third party infringement claims.
