

# HOW TO SUBMIT COMMENTS AND TEMPLATE

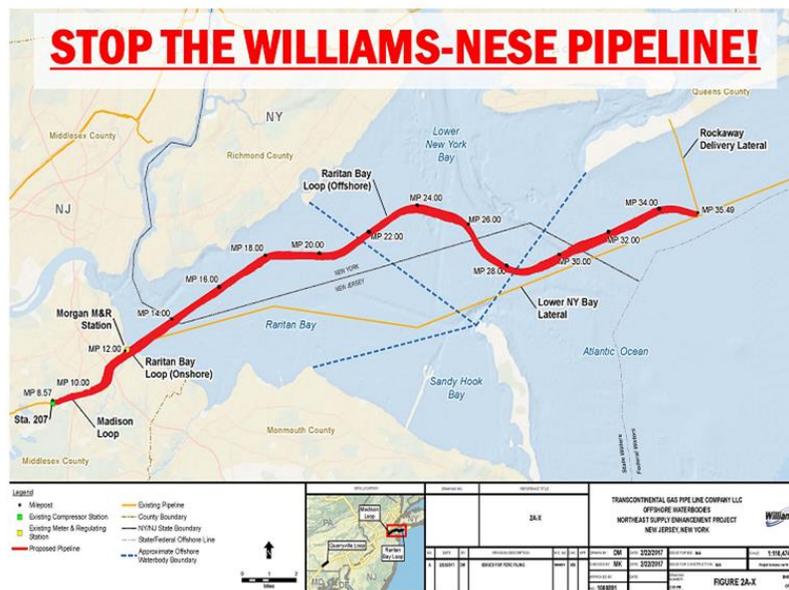

## HELP STOP

### Williams-Transco Northeast Supply Enhancement Project (NESE)

*What is the value of the environment to you?*

*What does the bay and ocean mean to you?*

*How does climate change impact you and your family's future?*

**Let your voice be heard in opposition to the NESE pipeline!**

The most powerful comments are individually written and personal, and provide factual and detailed issues of concern. Your comments must help convince the New Jersey Department of Environmental Protection (NJDEP) that NESE is wrong for New Jersey's environmental and economic future, and that they should DENY all state permits.

**Submit your written comment to the NJDEP by **midnight** on April 3, 2020:**

1. Online: go to [www.nj.gov/dep/nese](http://www.nj.gov/dep/nese)
2. Email: [NESEcomment@dep.nj.gov](mailto:NESEcomment@dep.nj.gov)

\_\_\_\_/\_\_\_\_/\_\_\_\_

Dear Governor Murphy and Ms. Joslin Tamagno:

My name is \_\_\_\_\_ and I live in \_\_\_\_\_.

I am writing to express my \_\_\_\_\_ opposition to the proposed Williams/Transco Northeast Supply Enhancement Project (NESE), to demand a **public hearing (not a meeting)** in the Bayshore Region, and an extension to the comment period for 30 days.

I oppose this project because \_\_\_\_\_

\_\_\_\_\_

\_\_\_\_\_  
*(a healthy future for my family, marine life, air pollution, water pollution, climate change, fossil fuels, etc.)*

There is NO benefit to New Jersey—only devastating public health and environmental harm. You must stop the project now because \_\_\_\_\_

\_\_\_\_\_

Natural gas is methane which is a long-lasting disastrous greenhouse gas that will accelerate the impacts of climate change which concerns me because \_\_\_\_\_

\_\_\_\_\_  
*(flooding, ocean acidification, economic harm, etc.)*

New York doesn't even need this methane gas and the Governor and Mayor of NYC are opposed.

Reversing climate change is imperative. We must \_\_\_\_\_

\_\_\_\_\_  
*(eliminate fossil fuels, reduce energy use, invest in renewables)*

NESE is unnecessary and ecologically devastating. Our future is at stake. Governor Murphy and NJDEP, I strongly you to deny all state permits regarding the NESE project, and end this blatant attack on our environment.

Sincerely,

(Name)
