25th ANNUAL FALL BEACH SWEEPS

A Generation of COA Beach Sweeps, Beach Captains, and Beach Sweepers

Thanks to a generation of volunteers, BEACH SWEEPS turns 25 this year! On behalf of Clean Ocean Action we extend our sincere thanks for the dedication and support that has made this event a wonderful success! It is one of the longest running programs in the nation, and has resulted in the removal of over 3.5 million pieces of trash. More importantly, thousands of citizens, the small and the tall, have been educated about the harmful effects of litter and are motivated to make a difference.

To celebrate the Beach Sweeps 25th anniversary, we are planning a year of activities to honor a generation of volunteers called, BEACH SWEEPS 25!
