Rally for the Two Rivers Eco-Fest

Saturday, June 6, 2026, 9 AM - 12:30 PM

Victory Park, Rumson, NJ

Dear Two-River Friends,

The Rally for the Two Rivers Eco-Fest is a celebration of all the joys and bounty provided by these iconic waterways and those who work to improve and protect them. You are invited to sponsor this special event which will connect you to the watershed's vast network of groups, citizens and municipal leaders and highlight your company's support for protecting this unique peninsula community.

Established in 2018 by Clean Ocean Action and the Rumson Environmental Commission, the event is an extravaganza of educational fun focused on "Waterway Mindfulness"— the awareness of the role and responsibility we all hold individually to keep our waterways healthy. Since all rivers lead to the ocean, when we keep our local waterways clean, the ocean can also thrive.

The event is focused on providing families a free and hands-on opportunity to meet the many organizations and town agencies who work hard to foster Waterway Mindfulness. It is for the curious of all ages to learn and explore this fascinating and ecologically rich region by enjoying crafts, face painting, music, river seining, yoga, ribbon dancing, and more! This year, locations throughout the watershed will be added that provide unique opportunities for fun and exploration while emphasizing the vast areas that drain into the Two Rivers.

There are also incentives for families to participate in the activities by getting their Environmental Passport stamped after visiting different activity stations throughout the park and the watershed. Completed passports may earn them extra-credit in the classroom and other environmentally-friendly rewards and special treats from local businesses. Everyone gets into the true blue green spirit of the day.

The list of participating communities, businesses, organizations, and activities keeps growing, so check CleanOceanAction.org for the most updated list.

Join us as a Rally for the Two Rivers Eco-Fest Sponsor! You will become a leader in this important, worthy, community-focused, and mission-driven event.

Become a part of the Two Rivers Eco-Fest Family! You will be glad you did!

Ever onward, together!

Cindy Zipf
